Charlie Kernaghan, executive director of the National Labor Committee (NLC) will speak at **Carlow University's Kresge Theatre at 6:00 PM on Wednesday, April 9, 2008.**

He is best known for exposing, in 1996, Wal-Mart and Kathy Lee Gifford's exploitation of child laborers in Honduras. Learn what you can do to stand in solidarity with the workers, mainly women and children, who are exploited daily and must deal with horrendous conditions.
